

Agreement to the Collection and Use of Personal Information

aSSIST University is doing its best to protect applicants' personal information by complying with the personal information protection regulations under relevant laws such as the 「Personal Information Protection Act」. Accordingly, based on Article 15 and Article 22 of the 「Personal Information Protection Act」, we would like to obtain consent to collect and use personal information for the purpose of hiring faculty members as follows.

Details of Personal information collection and use (required)

Items for collection and use	Purpose of collection and use	Retain Period
Necessary information for recruitment, such as name, contact information, academic background, and work experience	Recruitment Procedure	Until the end of the recruitment procedure (However, after the recruitment is completed, it is retained and used only within the scope necessary for handling civil complaints and fulfilling statutory obligations)

※ You have the right to refuse to consent to the above collection and use of personal information. The school collects the minimum personal information necessary for the recruitment process (no optional items collected). If you refuse consent, you may not be able to proceed with a smooth hiring review and you may be restricted from hiring.

Do you agree to the collection of personal information as above? **Agree** **Disagree**

Collection and use of unique identification information

Items for collection and use	Purpose of collection and use	Retain Period
